Hi Manoj,

I would be pleased to join you during this inspection. If it would be OK with you, we have two additional air compliance inspectors that were recently hired and as

part of their training, would like to invite them as observers, if this would be OK with you.

I will be available today through this Thursday if you would like to contact me directly.

With respect to the inspection, I will be available on Tuesday, November 22, 2016. Please contact me at least 45 minutes prior to your arrival at the site so that I may meet you there.

Alternatively, you could come to our offices and I will share with you any case file information you may wish to see and then leave from here. Let me know which would work best for you.

Thank you for the invitation and I look forward to meeting with you.

Respectfully,

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
